**GENERAL
CATALOGUE**

At PROQUIMIA we manufacture and market specialised chemical products, providing integral solutions to help the progress of the industrial and institutional sector and the well-being of our customers.

Thanks to our high level of technical expertise and our quality/service ratio, we have become one of the leading companies in our country and we are one of the market leaders in hygiene and industrial chemical treatments.

Our products are designed for safe and effective use by even the most demanding consumers, ensuring a sustainable future by doing everything we can to mitigate our environmental impact.

WHAT DOES PROQUIMIA OFFER?

Our entire product range is offered globally

Wide range of equipment for application, dosing and process control

Engineering Department and Technical Assistance Service

Technical, legal and environmental advisory services

Specialised training for staff

Approved microbiological testing laboratory

National coverage

Flexibility, adaptability and involvement

Environmental solutions: more sustainable products and packaging

Proquimia presents the new Minea-Ferronet by Proquimia range — a specialised cleaning, maintenance and maintenance solution for the nautical and naval sector.

With our **flagship product Ferronet** leading the way, we offer a range of high-performance solutions backed by international certifications and specifically designed to meet the demands of even the most challenging maritime environments. Combining efficiency, safety and sustainability, our solution is designed for all types of vessels and platforms.

Sailing Together

**COMMITMENT
TO QUALITY, THE
ENVIRONMENT AND
SAFETY**

CERTIFICATIONS

At PROQUIMIA, we have ensured that our company's strategic plan integrates the Quality, Environmental and Occupational Risk Prevention Management System based on the ISO 9001:2015, ISO 14001:2015 and ISO 45001:2018 standards, corporate social responsibility management; and the IFS HPC standard for domestic and professional products. In this way, we encourage the incorporation of sustainability principles into all of the organisation's activities. Via our integrated management policy, we confirm our commitment to the continuous improvement of economic, environmental and social sustainability.

APPLICATION**

**NAUTICAL
RANGE**

Proquimia harnesses the knowledge and tradition stemming from MINEA-FERRONET's 70+ years of expertise in the nautical sector, offering a complete range of specialised solutions for maintenance and care of recreational boats, fishing vessels, superyachts and professional fleets.

Our products combine maximum technical performance, safety and environmental commitment, ensuring optimal maintenance both indoors and outdoors, in all conditions.

Main areas of action:

- Treatment of decks, hulls and fenders.**
- Care of natural and synthetic teak.**
- Removal of fouling and rust.**
- Maintenance of cooling circuits.**
- Interior hygiene and air conditioning.**

of Proquimia.**

CLEANING, CARE AND MAINTENANCE

These are the key traits of our products. A range designed to care for and protect your boat with the same passion you have for the sea. We are fully committed to preserving the beauty and performance of your vessels.

FERRONET

A product for removing rust from metal surfaces. With degreasing and descaling properties, also effective on painted surfaces, gel coats and resins. Biodegradable.

Sizes:

Bottle 350g Box 12 units.	Bottle 1Kg Box 12 units.	5L jerrycan Box 2 units.	10L jerrycan Unit
Ref.: 2044606	Ref.: 2044603	Ref.: 2444640	Ref.: 2444621

CLEANING AND MAINTENANCE

FERRONET GEL

Controlled-action gel descaler: more precision, no drips or spills.

Format:

Bottle 1Kg
Box 12 units.

Ref.: 2044003

FERRONET INSTANT

A product for removing rust from metal surfaces. With degreasing and decalcifying properties, also effective on painted surfaces, gel coats and resins. Its atomiser allows you to atomise or generate foam with a light movement for better implementation.

Format:

Bottle 650ml
Box 12 units.

Ref.: 2044103

FERRONET POWDER

Powerful multi-tasking powder cleaner.

Format:

Can 1Kg
Box 6 units.

Ref.: 2046139

CLEANING AND MAINTENANCE

N-100-DD

Multi-purpose product with high degreasing and descaling power. Ensures degreasing and cleaning of any surface with heavy grease or carbon deposits. Effective on bilges, hulls, decks, tarpaulins, PVC or Skay seats, fenders, etc.

Format:	
650ml bottle Box 12 units.	800ml bottle Box 12 units.
Ref.: 2444703	Ref.: 2044703
10L jerrycan Unit	25Kg jerrycan Unit
Ref.: 2444712	Ref.: 2044717

5Kg jerrycan Box 2 units.
Ref.: 2044747

DECK DEFENDER

Alkaline cleaner for hulls, inflatables, RIBs, tarpaulins, floors, upholstery and covers. Removes dirt caused by atmospheric pollution, organic residues, carbon deposits and fender rubbing.

Format:	
650ml bottle Box 12 units.	4L jerrycan Box 3 units.
Ref.: 2044203	Ref.: 2044253
10L jerrycan Unit	
Ref.: 2444212	

HULL CLEANER-ULTRAWHITE

Whitening cleaner for boat hulls and decks. Instantly removes embedded dirt and yellow stains, rust, and algae from the waterline. Specially designed to whiten gelcoat, fiberglass, and polyester surfaces.

Format:	
650ml bottle Box 12 units.	4L jerrycan Box 3 units.
Ref.: 2048903	Ref.: 2048953

MULTI

Multi-purpose on-board cleaner for direct use without rinsing. Suitable for all non-porous surfaces.

Format:	
650ml bottle Box 12 units.	5L jerrycan Box 2 units.
Ref.: 2044903	Ref.: 2044910
10L jerrycan Unit	
Ref.: 2044911	

WIP-5

Magic sponges for cleaning everything. Wash with water only.

Format:	
Bag 5 units Box 12 units.	
Ref.: 2109001	

HUMITACK

Stain remover for fabrics used in the nautical sector (canvases, tarpaulins, sun loungers, etc.)

Format:	
Bottle 1L Box 6 units.	
Ref.: 2045839	

TEAK CLEANER**STEP 1 TEAK CLEANER**

Alkaline product (STEP 1) designed for removal of backfouling caused by atmospheric pollution and the effect of the saline environment on teak decks and marine decking. Safe for use on polyurethane caulking bands.

Format:

Bottle 1L
Box 6 units.

Ref.: 2045539

**STEP 2 TEAK CLEANER**

Acid product (STEP 2) for use subsequent to (STEP 1). May be applied after lightening caused by STEP 1 to enhance the natural colour of the teak. Can be used as a one-STEP solution for maintenance purposes.

Format:

Bottle 1L
Box 6 units.

Ref.: 2045439

SYNTHETIC TEAK CLEANER**SYNTHETIC TEAK CLEANER**

Advanced formulation product designed to remove oil-based stains from synthetic teak surfaces.

Format:

Bottle 1L
Box 6 units.

Ref.: 2045339

4L jerrycan
Box 3 units.

Ref.: 2045353

Ref.: 2045539

ANTI-CORROSION PROTECTORS**ODIN**

Multi-purpose lubricant and protector against corrosion and saltpetre. ODIN includes protective, penetrating, lubricating and antioxidant agents that make it a suitable product for maintenance of all types of engines, mechanisms and metal parts.

Format:

Bottle 400ml
Box 12 units.

Ref.: 2045703

HANDWASHING**GEL MECANIC**

Solvent-free gel with natural abrasive for deep cleaning of heavily soiled or greasy hands.

Format:

Bottle 500ml
Box 12 units.

Ref.: 2446003

5L jerrycan
Box 2 units.

Ref.: 2446047

10L jerrycan
Unit

Ref.: 2446011

**GEL MECANIC FORTE**

Gel with solvents and natural abrasive, for deep cleaning of very dirty or greasy hands. Easily removes dry residues of fats, oils and grease.

Format:

Bottle 500ml
Box 12 units.

Ref.: 2445903

5L jerrycan
Box 2 units.

Ref.: 2445947

10L jerrycan
Unit

Ref.: 2445911

SPECIFICS**GALA DESCALER**

A very powerful acidic descaler designed exclusively for the removal of sea snail damage and other fouling below the waterline on boats.

Format:

4L jerrycan
Box 3 units.

Ref.: 1040153

**OXACLEAN KIT**

Descaler for closed cooling circuits for fresh water systems. Solves engine overheating.

Format:

Kit (2 pots)
Box 6 units.

Ref.: 2046309

FUEL ADDITIVES**BIOSTATIC FUEL**

Fuel additive suitable for the control of microbial contamination associated with fuel storage in the marine sector. For exclusive use in industrial facilities or during professional treatment.

Format:

1L jerrycan
Box 6 units.

Ref.: 2046239

10L jerrycan
Unit

Ref.: 2046210

**REGULATOR CLEANER**

Mild acid descaler with degreasing properties. Suitable for nickel and chrome-plated surfaces, aluminium and copper alloys. Specially designed for degreasing and descaling scuba tank regulators.

Format:

Bottle 800ml
Box 12 units.

Ref.: 2048003

5L jerrycan
Box 2 units.

Ref.: 2048040

SPECIFICS**MINPOL**

pH-neutral multi-purpose detergent for industrial applications, with high emulsifying and degreasing capacity. Very useful for warehouses, passageways, floors, machinery, metal or lacquered furniture, kitchen tools, etc.

Format:

10L jerrycan
Unit

Ref.: 2045111

**STARSOL BILGE CLEANER**

Degreaser containing solvents and surfactants. Dissolves and removes all oils and greases regardless of source, as well as sediments from fuel oil, diesel oil, petrol, etc.

Format:

Bottle 1L
Box 6 units.

Ref.: 2044839

4L jerrycan
Box 3 units.

Ref.: 2044847

25L jerrycan

EXPERTS IN ON- BOARD CHEMICAL SUPPLY AND MAINTENANCE

Proquimia has added the Minea-Ferronet by Proquimia range to its already extensive selection — a complete line of products specialised in on-board maintenance, cleaning and catering, designed to meet the needs of the naval sector.

Our solutions are included in the main industry reference guides entitled "ISSA Catalogue and IMPA Marine Stores Guide" and offer maximum efficiency, safety and respect for the environment on all types of vessels, platforms and shore facilities.

Main areas of application:

- Cleaning of cellars and tanks**
- General maintenance of roofs and structures.**
- Hygiene in kitchens, common areas and accommodation.**
- Specific or shore-based solutions.**

NAVAL RANGE

FERRONET

A product for removing rust from metal surfaces. With degreasing and descaling properties, also effective on painted surfaces, gel coats and resins. Biodegradable.

Sizes:

Bottle 350g Box 12 units.	Bottle 1Kg Box 12 units.	5L jerrycan Box 2 units.	10L jerrycan Unit
Ref.: 2044606	Ref.: 2044603	Ref.: 2444640	Ref.: 2444621

TRADITION AND INNOVATION, SERVING THE SHIPBUILDING INDUSTRY

The extreme conditions of the marine environment have always been the driving force behind the development of our solutions. Our range is designed to offer maximum efficiency and resistance in on-board operations, guaranteeing optimal maintenance aboard bulk carriers, container ships, tankers, cruise ships and offshore platforms.

Product present
in the guides:

DESCALING

FERRONET GREEN

Includes the deoxidising and descaling properties of traditional Ferronet, for preventive surface maintenance.

Format:

12Kg jerrycan
Unit

Ref.: 2043913

DESCALING**SCALITE**

Highly effective acidic product for removing scale from hull bottoms, stern gear, closed-loop systems and heat exchangers.

Format:

22Kg jerrycan
Unit

Ref.: 2018514

**BRUSTONE**

A controlled foam detergent and descaler which eliminates the formation of calcareous scale, rust, and mineral and organic dirt deposits on all types of machinery and in all types of facilities.

Format:

10L jerrycan
Unit

Ref.: 1405211

ALKALINE DEGREASERS**N-100-S**

Alkaline liquid product with formidable degreasing power and high performance.

Format:

20L jerrycan
Unit

Ref.: 2043814

**N-100-DD**

Multipurpose product with high degreasing and descaling power. Ensures degreasing and cleaning of any surface with heavy grease or carbon deposits. Effective on bilges, hulls, decks, tarpaulins, PVC or Skay seats, fenders, etc.

Format:

Bottle 650ml
Box 12 units.

Ref.: 2444703

Bottle 800ml
Box 12 units.

Ref.: 2044703

5Kg jerrycan
Box 2 units.

Ref.: 2044747

10L jerrycan
Unit

Ref.: 2444712

25Kg jerrycan
Unit

Ref.: 2044717

**DSK-100**

Multi-purpose liquid degreaser with low alkalinity, for all types of surfaces.

Format:

20L jerrycan
Unit

Ref.: 2045614

**ECOPLUS D**

Low-foaming alkaline chlorinated disinfectant detergent for cleaning and disinfecting of facilities and surfaces in the shipbuilding industry.

Format:

10kg jerrycan
Unit

Ref.: 4025711

27kg jerrycan
Unit

Ref.: 4025718

NEUTRAL DEGREASERS**LS-3**

Foaming liquid degreaser suitable for all kinds of surfaces that require deep cleaning and are sensitive to alkalinity. Especially suitable for painted surfaces.

Format:

10L jerrycan
Unit

Ref.: 2044510

20L jerrycan
Unit

Ref.: 2044514

**LS-3 SE**

Low alkalinity, low foaming liquid degreaser. Suitable for all kinds of surfaces that require deep cleansing and are sensitive to alkalinity. This product is particularly suitable for painted surfaces, enhancing their gloss and minimising limescale residues in the finish.

Format:

10L jerrycan
Unit

Ref.: 2045211

SPECIFICS**DECK DEFENDER**

Alkaline cleaner for hulls, inflatables, RIBs, tarpaulins, floors, upholstery and covers. Removes dirt caused by atmospheric pollution, organic residues, carbon deposits and fender rubbing.

Format:

650ml bottle
Box 12 units.

Ref.: 2044203

4L jerrycan
Box 3 units.

Ref.: 2044253

10L jerrycan
Unit

Ref.: 2444212

**MULTI**

Multi-purpose on-board cleaner for direct use without rinsing. Suitable for all non-porous surfaces.

Format:

650ml bottle
Box 12 units.

Ref.: 2044903

5L jerrycan
Box 2 units.

Ref.: 2044910

10L jerrycan
Unit

Ref.: 2044911

**STARSOL LIMPIACALAS**

Energetic industrial degreaser based on a balanced composition of solvents and surfactants. Dissolves and removes oils and greases of any origin, fuel oil sediments, diesel, petrol, etc.

Format:

Bottle 1L
Box 6 units.

Ref.: 2044839

4L jerrycan
Box 3 units.

Ref.: 2044847

25L jerrycan
Unit

Ref.: 2044817

**BIOESTATICO COMBUSTIBLE**

Fuel additive suitable for the control of microbial contamination associated with fuel storage in the marine sector. For exclusive use in industrial facilities or during professional treatment.

Format:

Bottle 1L
Box 6 units.

Ref.: 2046239

10L jerrycan
Unit

Ref.: 2046210

SPECIFICS**MINPOL**

pH-neutral multi-purpose detergent for industrial applications, with high emulsifying and degreasing capacity. Very useful for warehouses, passageways, floors, machinery, metal or lacquered furniture, kitchen tools, etc.

Format:

10L jerrycan
Unit

Ref.: 2045111

**MOTORCLEAN**

Detergent suitable for cleaning engines and engine rooms.

Format:

27Kg jerrycan
Unidad

Ref.: 2021718

**KERNIX 1415**

Degreaser with solvent-based and dielectric properties. Effectively removes grease, oil, or wax residues from all types of surfaces.

Formato:

20L jerrycan
Unit

Ref.: 2006814

**DEFOAMER SIL-71**

Defoamer based on silicone emulsion, suitable for all types of applications.

Format:

20L jerrycan
Unit

Ref.: 2033614

**POLSHIP**

Solvent-based degreaser with dielectric properties. Dissolves and removes oils and greases, whatever the source.

Format:

Sack 25Kg
Unit

Ref.: 2053361

**PROSTRIP GEL**

Gel-type paint stripper, developed specifically to remove acrylic-based and polyurethane-based paints. It contains no phenolic compounds or methylene chloride.

Format:

Can 1Kg
Box 12 units

6kg bucket
Box 2 units

Ref.: 2029403
